

Your Honor

June 2, 2020
EP-17-CR-1286-KC(3)

On June 1st 2020 I received an Order regarding qualification for appointed counsel. On this order you are giving me 14 days to answer 3 specific inquiries with the assistance of my new counsel, Mr. Maria Ramirez

Due to the current circumstances of a nation wide B.O.P lockdown, I am unable to contact my new appointed counsel.

Your Honor, I come to you in the hopes of granting me an extension to communicate with my attorney and answer your questions thoroughly.

I don't know when I will be
able to contact my attorney. Currently
my only means of communication is
via correspondence. Also, as you
must be aware, the U.S. Postal Service
is currently operating slower than
normal due to the Pandemic.

Any consideration is greatly
appreciated.

Best Regards,
Veronica M. Carrera
